Professional Summary

Motivated professional with hands-on technical experience, dedicated to guest satisfaction and clear communication. Proven track record building client rapport, troubleshooting issues, managing both virtual and physical inventory and delegating tasks with targets. Committed to service excellence in high-velocity, high-output environments, while performing physically demanding manual labor.

Education

High School Diploma | *May 2023 | Worthington Kilbourne*
· 3.5 GPA

Google Data Analytics & Full-Stack Web Dev | 2025 - On-Going

Experience

PERSONAL PROJECTS | *April 2025 - Present*
INDEPENDENT WEB & GAME DEVELOPER • gabrielosborn.com
· Launched gabrielosborn.com, a Cloudflare-hosted portfolio of 8 browser games with a commission form and analytics.
· Developed 3 free macOS apps in Swift: a media downloader, a Discord video splitter and a controller-to-keyboard tool.
· Built a Node.js Discord bot with a SQLite database that tracks activity, assigns rank roles and posts announcements.
· Self-taught full-stack web development, C++, Unity and Blender.

RR DONNELLEY | *April 2026 - October 2026*
KODAK INKJET TECHNICIAN
· Promoted to run Kodak inkjet systems adding variable data (QR codes, addresses) to press runs of 1,000,000+ pieces.
· Installed and tore down fluid stations, print heads, dryers and control computers on presses for each job.
· Kept variable print in register with the press using speed encoders and laser cue-mark sensors.
· Managed and loaded up to 100 GB of job data into the print system.
· Ran constant quality checks and made run-or-stop calls with direct cost impact.
· Troubleshot, repaired and maintained connected equipment daily, including ink and replenishment systems.
· Directed 2–3 material handlers per shift; cross-trained as a press assistant.

DOLLAR GENERAL | *November 2024 - April 2025*
LEAD STORE ASSOCIATE
· Processed 200+ transactions daily with cash drawer accuracy using a POS system.
· Assisted an average of 25+ guests daily.
· Independently opened the store, often for shifts exceeding 14 hours.
· Trained new employees.

VERTIV | Contracted through ODW Logistics (formerly TD SYNNEX) | *October 2023 – April 2024*
LEAD TECHNICIAN / OPERATIONS TRAINER
· Handpicked by Vertiv leadership to move from the initial facility (TD SYNNEX) to a new site (ODW Logistics) to train staff and establish operational procedures.
· Maintained safety compliance while handling and transporting delicate and heavy products, consistently lifting items up to 60 lbs.
· Contributed 20 hours of overtime per week to diverse departmental operations.
· Assumed shift-lead responsibilities and managed inventory database of 1,000+ items.
· Diagnosed and troubleshot technical issues.
